

## MALAYSIA AIRPORTS HOLDINGS BERHAD

### ANTI-CORRUPTION POLICY STATEMENT

MAHB and its Group of Companies are committed to ensure zero tolerance against all forms of corruption by:-

- Working together with employees, stakeholders and interested parties to create a corrupt-free business environment and achieving its anti-corruption objectives;
- Upholding corrupt-free principles in all business dealings and interactions with business partners and government agencies;
- Complying with laws and regulations relating to the fight against bribery and corruption;
- Establishing anti-corruption control framework and implement continuous improvements;
- Encouraging concerns regarding corruption to be reported to MAHB through its Whistleblowing Programme;
- Promoting the values of integrity, transparency and good corporate governance;
- Setting up independent, empowered and relevant functions to ensure anti-corruption compliance in the organization;
- Reporting corrupt act to Malaysian Anti-Corruption Commission if there is a reasonable belief that such act has been committed.

Employees who engage in any corrupt practices shall be subjected to disciplinary actions in accordance with MAHB's policies, procedures, directives and guidelines.
